Eden is that old-fashioned House
We dwell in every day;
Without suspecting our abode
Until we drive away.
—Emily Dickinson

"No one knows precisely how sentient is a pinyon pine, for example, or to what degree such woody organisms can feel pain or fear, and in any case the road builders had more important things to worry about, but this much is clearly established as scientific fact: a living tree, once uprooted, takes many days to wholly die."

—The Monkey Wrench Gang, Edward Abbey
